

## A Child's Christmas Prayer

*Dear Jesus,  
I'm just a little kid.  
I'm not so old you know  
But I just keep wonderin'  
How your star has such a glow.  
You could have stayed in heaven  
But you came down to this earth  
And made the greatest sacrifice  
Though I have no special worth.*

*When you had a birthday party  
Each and every year  
Did you know I'd celebrate it  
As I sing Christmas songs right here?  
Did you get many presents  
Beside frankincense and gold  
And did you have a happy toy  
You could just sit and hold?*

*I wish I could have been there  
With shepherds and their sheep  
To look upon your sweet face  
As you laid there fast asleep.  
But since I could not be there  
I ask and pray  
That you will be here with me  
On this special Christmas Day!  
Amen.*
